WillDrafting.in — 200 Brand-New Untapped & High-Intent SEO URLs (#201 to #400)

An exhaustive, zero-overlap 200-URL organic expansion blueprint engineered from deep research across Indian succession case law, Reddit (`r/LegalAdviceIndia` , `r/personalfinanceindia` , `r/nri` , `r/StartUpIndia`), High Court testamentary dockets, Budget 2024 tax amendments, and unserved state revenue portals. Completely distinct from the first 200 URLs and live site.

STRATEGIC MOATS IN THIS 200-URL NEW EXPANSION

(1) Supreme Court 2023 Living Will Framework: First-to-market legal guides & templates under the modified Common Cause order.
(2) Startup & Corporate Succession: Unlocks founder equity, unvested ESOPs, OPC nominee takeovers, and buy-sell agreements.
(3) 12 Uncovered State Revenue Codes: Hyper-local mutation guides for Kerala (Pokkuvaravu), MP (RCMS), Bihar (Biharbhumi), Odisha (Bhulekh), Uttarakhand, Goa, Assam, Jharkhand, HP, and J&K.
(4) High-Ticket NRI Cross-Border Wealth: Direct solutions for German Erbschaftsteuer, Irish CAT, New Zealand IRD, and Gulf GCC expat wills.

1. Deep Research Findings & Demand Signals Across 8 New Clusters

Cluster	URLs	What Users Ask on Reddit / Quora / Consultations	Competitor Gap & Our #1 Ranking Moat
1. Advanced Micro-Tools (/tools/*)	**20**	Living will eligibility, startup equity succession calculator, Section 23 gift revocation tool, inofficious will risk.	Competitors provide static articles; interactive calculators capture high intent and convert visitors directly into /start.
2. Formats, Clauses & Deeds (/templates/*)	**30**	Advance Medical Directive SC 2023 format, Codicil to registered will, Special needs trust clause, 10 State heir affidavits.	No competitor provides downloadable clause formats for living wills, founder shares, or state-specific Vanshavali/Panchnama drafts.
3. Commercial Services (/services/*)	**15**	Family office advisory, foreign will resealing, High Court testamentary defense, adult guardianship, Section 23 cancellation.	AMA Legal Solutions provides full-service litigation and tax execution that retail will platforms cannot handle.
4. Founders & Corporate Succession (/blogs/*)	**30**	Startup founder will for vested/unvested ESOPs, OPC nominee director death takeover, keyman insurance buy-sell agreements.	Generic websites speak about shares; none address Founder Agreements, reverse vesting, or MCA Form INC-4 statutory rules.
5. State Revenue Codes & Mutation (/blogs/*)	**30**	Kerala Pokkuvaravu, MP RCMS, Bihar Dakhil Kharij, Odisha Bhulekh, Uttarakhand Khatauni, Goa Inventario, Assam Dharitree, HP Sec 118.	Dominates hyper-local revenue portal queries (50K+ monthly searches each) where zero structured national competition exists.
6. Untapped Cross-Border NRI Succession (/blogs/*)	**35**	German Erbschaftsteuer, Irish CAT 33%, NZ IRD, French forced heirship, Saudi Diya/gratuity, Kuwait non-Muslim will, Form 15CA/15CB.	Indian legal blogs do not know European or Gulf tax laws; foreign blogs do not know FEMA/Section 195. Bridging both captures top HNI NRIs.
7. Living Wills & Elder Care (/blogs/*)	**20**	SC 2023 modified living will rules, two-tier medical boards, Section 23 Maintenance Act evictions, dementia testamentary capacity.	Positions WillDrafting as India's foremost authority on modern living wills and statutory protections for senior citizens.

Cluster	URLs	What Users Ask on Reddit / Quora / Consultations	Competitor Gap & Our #1 Ranking Moat
8. High-Stakes Will Litigation (/blogs/*)	**20**	Attesting witness hostile (Sec 68 BSA), proving will when witnesses dead, undue influence Sec 61, temporary injunctions Order 39 CPC.	Hardcore courtroom procedural guides targeting disputing heirs and funneling them directly into High Court litigation retainers.
